“ *The first time I met Jerry I thought him to be shy but I soon found out that he was not. I will always remember him with a big smile on his face. Jerry loved life and loved his family. I know that our grandsons (Sean, Eliah and Gaven Curl) will miss him so much. Jerry and Vickie took the boys to see such wonders as the San Antonio Zoo as well as spending Grandma Vickie and Papoo time with them. Jerry was a good husband to Vickie and a great father to his step children (Jeremy Abele and Derrek Curl). They both shall miss him in the days to come. Jerry will be missed by many here on earth but they all look forward to seeing his smiling face in a much better place!*

*\*Hold those gates open wide Jerry for all of your friends and family!*
