Tribute Wall

“ Tammy, I was reading the paper this morning and saw your dad's obituary. I am so sorry. I know what it's like to loose a parent. I wanted you to know my thoughts and prayers were you, your mom and brothers.

I won't be able to go to the viewing or the funeral because of my job, but I wanted you to know I saw this and I am praying for you all.

Love and Friendship ALWAYS,

Lisa (Carpenter) Clements
