“ *Dear Sissy and Kent, Bill, and Cedric's Family,*

Don and I are so sorry and saddened to hear of Cedric's death. I have such good memories when he was a small child and then as a teenager when I lived in Searcy when they did. He was such a fun-loving and caring young man, with beautiful curls! It has been many years since I saw him and I have those good memories.

Our condolences to Linda, his children and grandchildren. May God wrap his arms around you at this time of sorrow.

*We love you,
Peggy S. and Donald Bigham*

“ I was saddened to learn that Jerry Charles has passed away. I was in the class of 1960 at Eudora High School, in the same class with Hettie Lou. His family lived one block up the hill from where my family lived in Eudora.

Back in the time when we were growing up, Eudora was a good place to grow up. We had good schools, good teachers, most all the mainline religious demonination were well represented and good people in the community. It was like growing up in Mayberry RFD. We knew most everyone who lived there. We were like a very big family. So it is with heavy heart that we acknowledge the passing of one of our own. Our thoughts and prayers are with you.
