“ *My condolences to Mr. Satterfield's family. Although it is sometimes difficult to express the right words at a time like this, may you all be deeply comforted by the words of Jesus found in the Bible at John 5:28.29 There we are assured that those in God's memory will be restored to life again. Reflect often on your happy memories and may they warm your hearts as we await fulfillment of all the promises of God.*

“ *So sorry to hear of Willard passing. I have fond memories when I was younger and he & Carol were dating. He was so much fun to be around...even later in life he always had something to say. I he will be missed. Sending hugs & Prayers to all the family.*
