“ I recieve this news with great sadness. Although I did not have Miss Jesse as an elementary school teacher, there are many things that I learned from her, as a good friend and good neighbor to my family. She was one of the people I visited every time I returned to Searcy. She was a great person, good neighbor, a strong example of a caring Christian woman. I will miss our conversations about life, the local news, history and her experiences as a child in The Great Depression, life working on a farm with her dad, traveling, her marriage to Festus, raising her children and how involved she was with them throughout their lives, her teaching career, her mission trips and golden years. She was a great friend to my grandmother and aunt and family. She was also my friend, for which my life is richer for having known her so well.

*May she rest in peace and sing with the Saints on Glory.*
