“ *With JD's passing yesterday I thought back some 60 years ago when a 24 year old man with a little boy and baby girl welcomed the 12 year old brother of his wife to live with them. You don't realize when you are so young what the results will be. I have come to realize what a wonderful day that was in my life. Just like that I had a little brother and sister. The other part is I also had a grandpa & grandma(Marvin & Rosie).*

What some really great times over the years
