“ Jimbo was a friend but he was more like a brother to me, I loved him and will miss him so very much! Jimbo and I talked about a lot of things, about his salvation he assured me that he was saved, about his beautiful children, about life in general! Megan and Jim your daddy loved you both more than anything on this earth, he is in heaven and you will see him again, so it isn't goodbye it is see you later! Jackie and Jim, Jimbo has told me so many times how much he appreciated everything you both have done for him! He loved you guys so much! Karen he loved you and was so proud that you were his sister! I am sorry that Jimbo can't be here right now but I am thankful that since he can't be here we can know for certain that he is completely healed! I love you all and will be continuing to pray for you!

“ Mr. and Mrs. Hale, my heart goes out to you in the lose of Jimbo. I first met him when he came to school at Foothills. It was my pleasure to have both Jumbo and later Karen in class. They were both a joy to have in class. He will be missed by all whose lives he touched. Psalm 116.

“ *He was always happy and smiling. He gave 100% no matter what his job. He was a great police officer and a kind person and my boys always enjoyed taking to him about the birds and eggs he raise. May God bless his families. He touched a lot of lives and will always be remembered.*
