“ Yes I had Prof. Jimmie Brewer as myAG instructor at Bethany in Scotts Valley and enjoyed his humor and teaching skills. He had a gift of communication and enjoyed his accent as I've come to appreciate now that I live in Texas. Interestingly enough my current Pastor is a Brewer in Burleson, TX. at Open Door Church and will be on a life show tomorrow at Daystar TV with Marcus and Joni Lamb and 11am and 8pm. Blessings, Glenn

Dear Kandis, David, Peggy and Family - At a time like this, it's difficult to know what to say. We know he's with the Lord and completely well now...but, the loss here is strongly felt by family and there undoubtedly will be difficult days ahead. We're praying for you and know that God will be with you to give you peace and guidance. May his love for the Lord and his life be celebrated and cause those who have wandered from faith in Christ to return. Our love to you all, Diana, Vaughn & Harriet Pickering

“ *After being classmates at SHS back in the 60s I lost contact with Jimmie until several years ago at a class reunion. At that time we discussed getting together in California at some point. We did that a few years ago and I found that Jimmie was the same caring, humble, friendly, and God loving person as I remembered. Peggy you and your family are in our thoughts and prayers during this most difficult time.*
