“ *It is my prayer that you all find strength at this time and comfort in having had such a wonderful aunt and sister with whom to share your lives.
My youngest daughter was blessed w/ Jimmie Sue for a teacher. For 23 years we have hung her ornament from Ms Walmsley on the Christmas tree. I loved Jimmie Sue; the classmate, teacher, the singer and the warm smile. She will be missed.*

“ Dear Dalls & Claudia and all of the Walmsley Family,

I am so sorry to hear of Jimmie Sue's passing. Diabetes is a tough sentence in life...I know because I have lost my sight to it and my kidneys are failing. But, Jimmie Sue did a lot of good things during her short time on earth. She contributed to a lot of children's lives here in Arkansas in kindergarten and first grade. Those are the years when a teacher can make or break a child's educational experience and she made her kids experience. My son was not privileged enough to have her but all the other mothers told me how wonderful she was. My heart and prayers go out to you. I will hold you up in my prayers. If you don't right off the bat remember me I worked with Diane Wood at First Federal there in Cabot and my Dad was Ed Glenn. I was the short red headed lady who helped you with you CD's and such. I will be praying for you.

Linda
