“ *Jim Squires was my father-in-law and one of the most incredible men that I have ever known.*

That was evident in all of the people that came to pay their respects during visitation. Between people that played golf with him and members of his Sunday School Class, there were probably 200 people. On top of that family and friends were present. I have never witnessed such an outpouring of love for any person.

The service was equally incredible. Each story reflected the loving way that he approached life.

There was a video collage that was shared during visitation and briefly shown during the service. Powell Funeral Homes assured us that it would be placed on this website. I hope they come through on that promise. It brings a smile to your heart when you reflect on the life he lived.

Respectfully,

Charles Stroud

“ My cousin, Jimmy Lee has been a very sweet, funny, happy, positive thinking person from child hood. Though we did not see each other often (being busy with life and our families) I will miss him very much. My thoughts and love to all that are missing Jimmy Lee.
