“ Jody will be missed. I worked with her at Land O' Frost and she was so much fun to be around. I remember many a time that she would pull some stunt out on the floor, and our thought would be, "Only Jody!". She will live on in all of us, because she touched so many.

“ Miss Jody I will never forget how much you mean to me and all the times you were there for me when I patrolled the streets. I knew that if you were on the other end of the radio, I would go home safe. You were a momma in so many ways to all who knew you. Rest easy, we have the watch. I'll see you in heaven.
