“ Sue, and family, please accept my sincere condolences. When I read of Joe's passing, I thought about the visit the two of you made to Augsburg, Germany almost 50 years ago.

“ Sue, my sincere sympathy to you and your family. The years pass so quickly and life changes. When someone loses a loved one who has meant so much to them, it is hard to know how to begin to express sympathy. We are fortunate that in our hearts we can keep the memories and the good times we shared. God bless.
