“ I've known Randy and his family all of my life, as my parents were friends with Randy's parents. Randy's dad, was my Science teacher, and his mom tried to teach me to bowl! His sister and I shared names, and we always liked to think that was on purpose.

Randy went on to marry the sweetest girl ever, with the most beautiful hair! I've always missed you Ann, when you moved away. Please know that I love you, and am praying for you! I would love to reconnect with you.
