“ *I remember one time Joel and I went fishing at Dustin's I believe .and I actually caught more fish than he did! When we first got there he got so mad bc he forgot that it'd rain the night before which made the whole bag of dog food rip and pour out on the ground. (We used dog food to lure in fish) So that made him madas heck!Then it started to rain out of nowhere!Well we kept getting hung up. Then I ended up catching the most fish! He was so mad! He wouldn't even talk to me for a couple days*
