“ Family of Johanna, I am so sorry for your loss. Neva Parker was her roommate for a time at Oakdale (she passed away last October). Neva and I thought very highly of her. As I was with Neva almost every day, I was able to help Mrs. Stanford back to her room after a meal or help her get to the dining hall for a meal. She was always so pleasant and a joy to talk to. I know you will miss her, but know that she is no longer confined to that wheelchair! Praying for you all.
