“ *It is always sad to lose someone so dear. However, there is comfort in knowing that John is now in a better place and a place where he has no pain. We will all miss him very much but his memories will be with us forever. So sorry we could not attend the services but as you know, we were in Northern Michigan on a trip and could not make it back. May God bless and comfort the family during this time of loss. We love you. See you soon.*
