“ Dear Hardie family,

I didn't know until today that Mr. Hardie had passed. I just saw him in January when he and Mom were in the hospital at the same time, next door to each other. Both of them made it to heaven for Easter. I'm happy for them but sad for you. I know he's enjoying being with Denise. Love to you all.

“Hearing this saddens me. My heart goes out to the family. I have so many fond memories of Bill and I coming to visit after dinner when we stayed at Kate and Jo's. We enjoyed watching your girls grow up. Dale still teases me about her Red sports car! Unfortunately, I have pneumonia so it looks unlikely I will be able to see the family this week-end. Our thoughts and prayers are with you. Love, Barbara Ann
