“ *In loving memory of my brother, John. 08/04/1948~05/28/2012.*

*May your endurance and strength be realized and may you forever rest in peace.*

*A Wish And A Prayer*

*May your spirit soar in freedom*

*From the disease that gripped so tight.*

*May you find the peace you longed for*

*As you lay suffering, on that Memorial Day night.*

*May your pain and suffering be clear and calm*

*And your tender heart be warm.*

*May you have no need for strength now.*

*May there never be another storm.*

*May the music of the angels be the sweet sounds that you hear. As you're rocked in Heaven's cradle*

*May you never shed another tear. I'll wear your memory proudly, My only brother...my true friend.*

*May my love for you reach Heaven above*

*Until we meet again.*

*I Love you, Sis*

“ *Daddy I use to always try to keep up with you and would wonder where you are and what you were doing but now I don't have to worry about that anymore because you are in Heaven with my mama. GOD knows my pain but I would rather him have the both of you than be here on this EARTH suffering. Daddy I love you and I am so proud of your legacy as a Veteran and I will always honor Memorial Day as your day because you held on and chose that day to go home. I salute with honor Daddy. Your daughter, Ree Ree*

“ *So many hearts are saddened because of your passing; however, it brings some happiness when we think about your sense of humor, your military service and your great big laugh. I know you suffered here on earth, but those days are now over. No more suffering, heartache or pain any more. I know it makes me feel a little better that you're up there watching over us all. It's your turn Uncle John....go rest high on that mountain....Love your nephew, Allen*

“ Teresa and Patricia, Johnny and I were cousins. We had fun together as kids, playing with Dickie, Tom and I. I am so sorry to hear of his death. You are both in my thoughts and prayers.
