“ *I would like to express my heartfelt sympathy for the loss of your loved one. I lost my father last year and something that comforts me is that Jesus promised at John 5:28,29 that the day is coming when he is going to resurrect all those in the grave. Until then, it is just like they are sleeping. (John 11:11-14) I hope that your family finds this comforting too. audra.chapmon@gmail.com*

“ *When I think of Kenny, I see this blonde headed little boy so, so cute running around barefoot with just a diaper on, laughing at someone chasing him. My heart felt prayers go out to Sandy and his children for the loss of a brother and father and a cousin who I loved. Only our Lord and Savior knows the reason for taking him so young.*

“ My dear father was such a hard working man. So much power, skill and talent in his hands. Amazing welder, machine operator, driver, builder, photographer, videographer, cook and artist. Sincerely loved each and every one of his family members. Loved to dance, loved classic country, doowop and oldies. Faithfully cherished memories and photos of his family members from the past, had unbreakable bonds with siblings. Volunteered to help people in need, loved animals, always donated and delivered groceries to seniors that were not mobile, helped many families, women and children, helped friends was always someone that people could count on to help. He'd give the shirt off his back. He was trustworthy, honest, hardworking reliable, extremely friendly, loving and sentimental. He gave ungrudgingly and without expecting recognition, God's way. I know he has treasures stored in Heaven. Rest In Peace, Dad. I will be with you again someday soon. Like the mizpah coin you gave me said... may the Lord watch between me and thee, while we are apart, one from another.
