“ It's hard to believe Brother today makes 3 years since you left us & you left us way too soon. I wish you were here so I could talk to you and we go fishing etc but I know you are in Heaven with no more pain and suffering. Not a day goes by that I don't think about you. They say time will easy the pain well I say different. There is so many things that makes me think of you like whenever I see a butterfly, hear a song or just something we done together. Until we meet again brother I love and miss you more than words can say!

“ Uncle John, you’re gone way too soon .. seems like yesterday i was just a kid and we would always kiss each others’ cheeks and say “i’ll never wash my face again” ... boy oh boy do i miss you ... i’ve been trying to see you for the past 3 years but something always held it up .. Your pain is away & you’re in Heaven with Daddy & PawPaw ..
♥ You reminded me so much of Daddy .. and i truly wish you could have met my husband ... You always talked about wanting to meet him ... y’all get to meet in spirit now ... he gets to see how handsome of a person you were Saturday ... the troubles i went to just to be here to say my final goodbyes ... i can’t believe this .. please wake me out of this nightmare ... You were such a kind hearted person! I just wanna hug you and kiss your cheek a billion times over and over ... I love you aunt Kathy & Larry ... Grandma i know you’re taking it pretty hard too, your last boy ... And family, he’s wit us at all times now ... he never thought less of any of you! He was such a great spirited person! I love you uncle john ...
