“ When I moved to Searcy 47 years ago Johnny and Faye were two of the first people I met after moving here. We became friends soon after and have been good friends ever since. I have so many fun memories from our years going to bowling tournaments. Nothing has made me laugh so much as watching and hearing Johnny tell stories. Not only did we hang out as friends but I also worked with him for fourteen years at Coca-Cola. He was truly a special guy. You will be missed Johnny Reid.❤️
