Mom's Obituary

I didn't make this video, however much I love what was done. I wanted more family in this CD. I will create my own later for anyone that wants it.

I will hurt for the rest of my days for my mother's absence in my life. She was the single most beautiful & amazing part of my heart that no one will ever fill. My first love, my protector, my teacher, my nurse, my best friend, my everything! Life took away a huge part of my heart with her. God never could have given me a better mom in this entire world! If I could have chosen, I would have picked her a million times over! I love, treasure & adore you mamma, I am lost without you.
