“Joyce was my Mother, she was A hard worker, she always had to be doing something all the time, she was rough when she wanted to be but she was kind and gentle when she wanted to be, she spoke what was on her mind, you didn't have to wonder what she was thinking, I guess I took after her in that matter, She was funny and fun to be around. she loved her kid's and she loved her Preacher. To me she was Grand, and I will miss her sooo much, my heart hurt's, we will be together again ,but that don't make it hurt any less, I loved my Mother very much, I Pray that God will help me through this, because I can't do it by my self, she will always be in my heart. I love you Mom. RIP

“Chris, Carla & families I am sorry to hear of the loss of your mother. I haven't seen her in several years but she was always a sweet neighbor to my mother & dad (Bernest & Belle Hoofman) when she lived neighbors. I guess they are getting to have another nice long visit talking & laughing.
I know you will miss her but remember she always loved you very much. I will keep you in my thoughts & prayers.
Prayerfully yours Trudy (Hoofman) Langley

“ *My mother is with the Lord now. I can only imagine all the loved ones there waiting on her as she entered into the kingdom of Heaven. Mama had a beautiful voice here on earth I know she's singing with the Angels, and what a beautiful sound that must be. Mama was sassy and kind you always knew what she was thinking. I'm glad that I have her in me (haha)...I'll always love and miss my mama. Until we meet again your baby girl.....*
