“ My condolences go out to the family. May God bless you with the peace and assurance that only He can provide during this hour of grief. Judy use to sing this song in church, Oh I want to see Him look upon His face, there to sing forever of His saving grace. On the streets of glory, let me lift my voice. Cares all passed, home at last, ever to rejoice. Do you remember that song Miss Juanita? Now she's seen His face and she's home at last. God Bless You All. Love Cliff and Mae

“ My heart goes out to the family. Judy was a great person and friend. We have so much fun together. We laughed and acted crazy. We also cried together when times were bad for one of us. I love you, Judy You will be in my heart forever, may you rest in peace. You are with the Lord.

“ Judy was a delight to know, and I was proud to have her as my student in an English class. We were able to re-connect when Mike was in my speech class. I was so impressed with how hard she worked to get her education and how she was so eager to make a difference in the world. To all her family: May God bless you and strengthen you in the days ahead. Sincerely, Jean Ann Bell
