“ *Judy was a very kind soft spoken person. She was a classmate at BK who was supportive of school activities and a very conscientious student that was easygoing with a generous smile. Her aunt “Mrs Inman” was our math teacher- she was proud of Judy’s decision to become an educator. Judy raised two fine young men. We are especially acquainted with her son David who contributes so much in volunteer activities in our community. Her family has always been an anchor in the town of Russell. I’m so sorry to hear of her passing. Phillip and I send our most sincere condolences to her family.*
