“ *What a Special Lady!!! She always had a smile and always made me smile (or laugh).
I will always remember the many years of doing her hair in the beauty shop, then as I changed jobs and later started working with the 'Senior Citizens' at our bank, escorting them on many trips, Mrs. Ernest was again a part of my life, and oh so much fun we had as we traveled on that bus those many miles. What a Blessing she was to know and be with. I will always remember her wit ans her smile.*

“ *We know where she is and that she is smiling on us, but that doesn't keep us from missing her and being sad.*

“ *Debbie & Family,
I remember what a sweet,loving person your mother was from my days in the Lassies. I know that you miss her, but are comforted by knowing that she is in the presence of our Lord.*

“ We loved your mom and dad. They (all of you) were such an large part of our lives. She had such a good sense of humor, like you girls! I remember her sweet, soft voice so well. I was always so envious of the clothes she made you and I remember one dress Becky, in particular. It was navy blue with lime green on it, and I thought that was so young & cool that she came up with that! When our parents are both gone it's a sad time and things really change. We know they are happy though.

“ Aunt Julia was a wonderful person who loved everyone and all life had to offer. She was always trying to find ways to help everyone around her achieve their goals and be happy with life themselves. She was a beautiful lady and a beautiful person to be around. Anyone who had the privilege to know her was truly blessed!

“ Brother Ernest and Julia were part of our family when they were at Hazel Edwards United Memorial Methodist Church. Brother Ernest officiated at my daughter's wedding and he was like my father and precious dear Julia was my best friend. Our heart aches at the loss of her. My daughter and I were just talking about her on Christmas Eve, remembering her with such love. Angels fly so high as to be unseen with the naked eye; but they are always looking down upon us. Julia was our angel. God Bless you all, Sue Laster-Herriott and Susan Laster Hall.
