“ Julian and I worked together for more than twenty years. His sincerity and integrity was always apparent . His positive contribution to the schools was always outstanding.

You and your family have every right to be proud of him. I counted him as a true professional friend and know that the Halifax County and South Boston Schools are better due to Julian's sacrificial service.

“ *Mr.Harrison was a prince of a gentleman. He was always so kind to me, and treated me with politeness and kindness and respect, even though I didn't deserve it, considering I was usually the one helping Trey to get in trouble. He touched many lives, including mine. I will always remember him fondly. For his family he leaves behind, I am praying for God to hold you in the palm of his hand and give you His perfect comfort and peace.*

“ Dear Aunt Mary, Robin & Trey, and all the grandchildren; we are so sad about "Sonny" Julian's passing. He was just the finest person I think I ever knew. Some of my fondest memories were of visiting when I was young the Harrison household and Sonny was always so wonderful and kind to me (as he was to everyone). I pray God will comfort you all with the knowledge he is in heaven waiting for all of us to join him one day. I love you all, Carolyn
