“ *Even though we were seperated a several miles, Uncle Julian and family was always on my mind. Too many times to mention how I bragged on his accomplishments with small engines/go-carts. He always made others feel welcome and loved no matter how much time passed between visits. It hurts deeply to no longer have him in prayer, but wonderful to know that the Lord now has him in his care. To Judy and family, please know that I pray for you and family and will continue to do so. All of you are much loved and highly regarding. Any time you're down our way; know that the door is open and all of you are welcome ANY time.*
