“ He was a good man. I talked to him a lot when he would come in the waffle house. He will be missed by many.

“ Uncle Gil was a very important part of my life and played a major role in my adoption. I am so sad to hear of his passing. He was a generous and wonderful man. It saddens me not to have contact with him in his later life. My memories are full of the good things about this remarkable man. I know your loss is great and my prayers are with you all.
