“ Thoughts and prayers to the family of Justin. Praying that God wraps his arms around each of you to find comfort knowing that Justin is now an angel in the sky watching over each of you. Nothing I can say can heal the pain that you are feeling but please know that if any of you need anything we are here, no matter what it is, even if it just to talk or a shoulder to cry on. Love Always

“ There are no words than anyone can write to ease the pain of your tragic loss. Mama and me were talking about you today Cheryl. It choked me up to even talk about your loss. I know how much you loved that boy...you could see it at the dinner table at Applebee's! I'm glad I got to serve y'all. Thanks for sharing him with the world, and I wish I had known him better. You are on all our minds and hearts.
