“ Kellie and all the grands, Mrs. Jackson was one of my favorite people. I thought so much of her just as all who met her did. Rest in Love and give Laura the biggest hug from me.

“ Kara Lee was a great friend to me. I was in Ad Services at Vickers Searcy when she joined our group as an employee. She was a great listener and a kind gentle soul to all. She made a huge impact on my life because she was so selfless and truly cared about others. The main thing about her was her love for family! She shared loving stories about all her family. She will always be in my heart.
I cherish the times Debbie Barger and I got together for lunch with her. See you in gloryland, Kara Lee!
