“ My last memory of you Keith was at the fair....We will never forget that. You were with your daughters and sister Martha and me and Gene chatted with you for at least 15 minutes or more. You were in such high spirits and you had a smile on your face. Gene also has a memory of you when you all were at the water slide in virgilina.....he said you had never been down one and he went down after youeveryone had a blast!Nothing but good memories.....Now you can rest peacefully my friend and you won't have to suffer anymore. God has gained another angel and we all will meet again one day. You will be missed greatly!!!!
