

## Kelly Works

February 26, 1960 - November 12, 2014

Kelly Jacobson Works, 54 passed away after a brief illness on November 12, 2014 at her home in Judsonia AR. Kelly was born in Coos Bay, Oregon on February 26, 1960 to Dolores Fincher and Clarence Jacobson.

Kelly was an award winning member of the Cross Country Track team in Oregon. She went on to become an avid Barrel Racer winning many awards until an injury left her unable to continue. She enjoyed crafting, gardening, and sewing and loved the outdoors. Kelly was a huge animal lover, who cared for many animals in her lifetime and was a great supporter of the Humane Society of Searcy, volunteering her time and sewing talents to make dog beds and help where she was needed. Kelly had a huge heart for animals and humans alike. She was a Certified Nursing Assistant working with the White County Health Department.

Kelly is survived by both her parents, step mother Barb Hoy and her husband Kelly, one brother Chris Jacobson, step sister Cindy George and husband Mike, ex-husband and 19 year loving companion Ed Brossand and her 4 dogs Crystal, Rocky, Ransom and Biscuit. She was preceded in death by her brother Mike Jacobson.

Kelly will be missed by so many people. We fully expect Kelly to stop at the Rainbow Bridge and meet her other fur babies before entering the Gates of Heaven.

There is no planned service at this time but her family and friends will hold a service at a time and place to be announced at a later date.

In lieu of flowers, the family requests that donations be made to The Humane Society of Searcy, P.O. Box 8242, Searcy AR 72145.

DP

“ *Kelly was our dear friend since the early 1980s when we became friends with her in Portland. She lived with us for awhile and she always had a sunny disposition and loving heart. Later we visited her in Arkansas and through the years stayed in touch by letter and phone calls. A constant in her life was her affection for her pet dogs. Kelly will always remain in our hearts. Blessings and peace to you, sweet girl.*
