“ *To the Kenneth Goodin Family, We are so sorry for your loss. When Kenneth passed away Bald Knob lost a much loved person who made a difference in this world & left it a better place. Kenneth loved & was loved by countless people, & that love will stay on to comfort you. Kenneth once told David that he was one of his best farm neighbors because he knew how to take care of business. Those words meant so much to David because they came from Kenneth. Our hearts are heavy. You are in our prayers. David & Jeannie Freppon*

“ David, Kathie, Regina and Family- When you think of Kenneth, you see his bright smile and soft spoken voice. You know that smile is still with him. He will continue to spread his joy throughout. The pain will be with you but Kenneth will want you to be strong. We must celebrate his life. Celebrate the wonderful times we all had with him. Even if he did get mad at us driving the golf cart into the woods, tree or water. He was a wonderful man, father and husband! God is good and God will take care of everyone, Remember you have friends for a reason. We love you very much. Kevin, Stephanie, Matt, Nick Hopkins & Bob & Betty Bolding & Pat Bolding

“ Patsy and I send our deepest condolences to the family of my old friend, Kenneth. Kenneth's parents inculcated a work ethic in him which served him well his whole life... In high school, on one occassion, spending some time with him, we thought it would be fun riding horses... Kenneth's folks thought it would be more fun to ride a combine across the soybean fields. We rode the combine. Now he rides on angel's wings to the palm of God's hand. Yours In Christ,  
Rev. Bobbie & Patsy Weber
