*Kenneth you will be greatly missed by all us that know u and loved you U was like a grandpa and you treated me and my brothers very well;. I loved how sweet and loving and caring you was and You loved that farm so much. I miss that house that i grow up at on firetower rd and I wish i was still there because i would repair it and make it look brand new again. I have great memories and some bad memories in that house.I remember u making sure all the cows was taken care of and made sure they had plenty of hay for them too eat. When i found out that u was gone i broke down and cried because it wasn't that long ago that i was talking to u about my mom and dad and my brothers and how we was all doing.I was telling u about how danny got shot and almost died from being shot 10 times and how me and adam and arthur was doing. I miss you already*
