“ I was friends with Kenny in jr high. He was so much fun to be around. I remember the summer riding around in the snow cone truck. We had a blast. Time with Kenny was always full of laughs. After school I saw him several times and he had not changed. So many times over the years I have thought of Kenny with a smile and a laugh. He was that special person. Rest in peace my friend.

“ I met Kenny when he was a teenager. He and my mom had a special bond. Her first name was Rosie and she didn't like/let anyone call her that, except Kenny. When he would come over, as soon as he walked in the door he would say, " Hey Rosie!" My mom would laugh and say, "Alright Cleon, you better watch it!" I wish that we could have kept in touch throughout the years. He could always make you laugh when you needed it the most. I loved watching the tribute video. He will be missed.

“ Kenny, My sweet cousin. Kenny and I were 4 months to the day apart and were so close all through school. Kenny was kind, funny and protective of me. We shared, family, friends, football games, Trick or Treat and dances. Kenny would play house with me but I had to play army with him first. We spent hours listening to music and planning our lives. Our lives will cross again one day, I love you.
