“Her Journey Just Began”

Don't think of her as gone away
Her journey has just begun
Life holds many faucets
The Earth is only one
Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort

Where there are no days and years
Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away
Think of her as living in the hearts of those she touched
For nothing loved is ever lost
And she was loved so much.
Written by her brother: Justin Anderson
