“ *My sincere condolences to you and your family. My prayer is for God to hold you in his arms...comfort you on your hardest days...and always bless your family with strength through you pain and grief. Time will heal but you will always love and think of him in your hearts, minds and souls. May God bless your family and keep you strong, healthy and safe in your days ahead. Tears of pain and grief are necessary...but in time, will turn to tears of joy just knowing He's in good hands with God or whatever spiritual being you share.....Humbly, Anglia Emmendorfer ~songwriter, published poet, and writer of childrens stories ~(former HCHS grad Class of 1974)*
