“ I worked with Kim for several years at Mitchell Williams. She was a beautiful soul. We would take breaks together, go to lunch together and talk about life. I am very sorry to hear of her passing. She sure loved her kids and grandkids.

“ The Business Practice Group at Mitchell Williams Law Firm extends its sincerest condolences to Kim's family and close friends. We loved having Kim as a part of our office family for over 10 years. We will never forget how she made us laugh. In lieu of flowers, some of us have decided to make a small contribution to the care of Kim's beloved dog, Molly, who has been adopted by a wonder family that we also know and love.

“ I enjoyed working with Kim at Mitchell Williams and at another firm in the late 90s. Kim was quick to smile and often lent an ear. We'd often commiserate about the difficulty in making memories with our grands that lived so far away. She loved talking about the great times she had on her road trips to Mountain View & Branson with her good friends and her granddaughter. She is missed already.

“ Kim will be missed here at Mitchell Williams. She was such a positive and kind person. I never spoke to her when she didn't have a smile on her face, even when she was not feeling her best. She was a part of our family, and we will think of her often.

“ I am so sorry for her family's loss. Her parents attended the First Baptist church in Bald Knob and that is where I got to know this sweet family. I pray God's strength and the comfort He provides will guide and direct you all today and all your days to come.
