“Graham called me and let me know that Kyle had passed, it was such a shocking thing to hear of someone so young and full of life, and yet he left so early.....i know that graham and kyle were close in going to concerts (kyle was to be the co caption....) and they enjoyed their visit to california.....sorry i'm so late to reply but nothing can take away the pain and loss at a time like this....but God has a purpose for all those he puts us in contact with and as we've all learned....it seems the song is so true, "Only the Good Die Young."

“ *Mike & family,
I am so sorry to hear about the loss of your son, Kyle. I know that words can't help heal the hurt you are going thru, but I pray that God's strength will help you heal. I pray that He will carry you thru this trying time. This world can be so cruel and overbearing at times, but God can help us get thru this and anything else that comes our way. May God bless you and comfort you always! Dewight & Darlene Piker, family*

“ I want you all to know i am so sorry Kyle was a very close friend we shared many heart to heart conversations on our long trips to little rock and back and i know upsetting his parents was the last thing Kyle would ever want to do. i have never had the oppertunity to get to know his family personalery however i feel close because of the stories kyle had told me about growing up. he could not have asked for a more loving and supporting mother and father. angela i know you guys didnt always see eye to eye but i know he loved his sister and knew she was capable of acomplishing great things in life. We are all gonna miss Kyle. My name is Robin im the girl in the red grand am. if me or my family can can do anything for you in the future please dont hesitate 501-530-0673
