“ I did not know Lakin but I am a close friend of Stacy Mills and she has sent me computer photos of Lakin. What a beautiful child. Having lost a child myself, I know the emotional trauma that you are going through and no loss is more painful than losing a child. I pray for the family's emotional recovery.

“ We are deeply saddened to hear of the world's loss of Lakin. She was a beautiful person on the outside as well as the inside. We will always remember her smile. She could light up a room with that smile. We were so blessed to have worked with her in church. We know this is a difficult time for the family and we pray that God will comfort you through this time.

“ *I am so saddened to hear about Lakin and I will keep you in my thoughts. Lakin was a student in my classes and I remember her fondly. She always tried to encourage others to do the right thing and did so with a smile on her face. She will be missed.*

“ *Burl, children and grandchildren,*

Also all family and friends,

I know of no words that will ease your loss at this time. But remember that some great day we will all be with those we love who have gone on. Our Savior has promised to prepare a place for us.

I will keep you in my prayers.

Love,

Kay
