With sadness I read this, I have some fond memories of us as kids when we lived in Indiana. We always had the best of time when our family would come to visit.our Dad's would get together play music and sing, us girls would spend time in the bedroom listening to our music and dancing doing the latest dances like the bop and the stroll. Most of the time we would end up spending the night and we would be excited.lots of years have gone by and we all separated and lost contact although we all did end back in Arkansas and some pumpkin Bend. I loved your Mom and Dad and thought of all of you through the years. I know your family will miss you and I send loving thoughts and prayers to them that God will comfort them and see them through.
