“ *I light this golf candle in memory of Lance. The days go by and more time occurs since his death, but the pain does not ease. I recall he and I putting golf balls in the yard with the kids. It became a favorite pastime in the spring and summer. This is for you Lance.....rest in love.*

“ I am terribly saddened by the loss of such a dear person to all that had the honor to call Lance a friend. I can remember so many memories of the Summer's that we spent going to the lake house, swimming, and just being friends. I will never forget those memories or the type of person Lance was. He would have done anything for his friends. Words cannot express the pain that you all feel. I have my hands folded in prayer for your families and Lance and his memories will never leave my heart.

“ Lance was such a special person and will forever hold a place in my heart. His personality, charm, and compassion for others are qualities that will never be forgotten. As many others, I wish I could've had the chance to see or talk to him over the past few years but I know I will have that opportunity someday. To all of his family, the Arnett family send our deepest condolences.

“ Lance and his big warm smile has not left my thoughts this week. What a tragic loss. My heart is filled with memories of laughter and good times, specifically being stranded in the middle of the lake on King's jet ski laughing until we hurt. Know that I, and many others, are praying for you during this difficult time.
