“ Linda I am so sorry to learn of Larry's passing. He was a very dear friend to me and I will always remember the good laughs we always had. I always had to give him a "rough" time when he came to the BK Revenue Office cause that's just what we did cause we loved picking at each other. As I type this my heart breaks cause I've lost a very dear person that loved me for being me.  
I am here for you at anytime and my prayers are with you and the family!
