“ Jim (now also with Larry in Heaven) and I met Larry in Denver in the early 1980's and we enjoyed our friendship for nearly 10 years. Got to know Jeff as well and loved spending time with them at his home as well as ours. Jim, Larry, Jeff and Jason Emmot (friend) took a trip to Falcon Lake, Manitoba in think in the summer of 1986 - they had a blast. Larry would always look in on me whenever Jim would go work on our cabin in Canada - he made sure I was safe - like a big brother would do. He was a true friend and after I lost my Jim - Larry made it a point to call me regularly to once again see how I was doing. You could not ask for a better caring friend than Larry - he will truly be missed by me and I am sure all he touched and cared for. God Bless and say hello to Jim - up there.

“ Larry, Charles Moye, Warren Darden, and me were high school friends and shared a lot of good times together. After graduating from Searcy High School Larry, Charles and me went to Little Rock and got us a job. We shared an apartment for awhile to reduce expenses. Over a period of time we kind of split up and each one of us began to pursue our own careers and later married and had families. I have known Larry from school days at Searcy High School. He was a fun guy to be around and was always very friendly. He will be missed. I would like to send condolences to the family and friends of a long time friend, Larry Redman.

“ So sorry for your loss, Larry and I were childhood friends and played together. I moved away from Searcy on more than one occasion so I did not get to go all the way through school. We did have conversations on Facebook for which I am grateful. May our Lord and savior Jesus give you the comfort you need at this difficult time. I am thankful Larry was a Christian which makes all the difference.

“ *I am so sorry that my friend Larry is gone. He had a great personality and always took the time to stop and say hello when we met after retirement. He was a solid professional but always took time to find a little fun too. We shared a common interest in history and had many nice conversations together. I hope his loved ones can put their sadness behind them soon and enjoy the memories of their times with this great guy. Eddie Best, Searcy*

Larry was a thoughtful loving son who sent his dear mother flowers on her birthday every year and called her nearly every day. He was also a devoted husband and proud father and grandfather. May his love for his family be his legacy as you each carry on by transferring your love to those who still need you. With great affection for each of you at this sad time.

“ *My heart is so sad. Larry and I have been friends for many years. He was always so kind and I enjoyed being with him very much. He drove his beautiful red Buick Convertible with me and my sisters riding in the White County Fair Parade. We had a fun day together. What a good guy Larry was. I am sorry that he had to go through being so very ill before getting on the ride to Heaven. I know he will be welcomed into the arms of Jesus. Rest In Peace my friend!!*
