“ *Larry was a wonderful man! We enjoyed our weekly visits. He had that tough outside but was a softy. He always had great advice and treated me and our kiddoes like we were one of his own. He is greatly missed, my heart is heavy for all of his family. Prayers to all. I know he is waiting with arms wide open and that big ol' Larry smile!*

Its heartbreaking to find a loved one who has passed away and no notice sent. That is what happens when family doesn't keep in touch with each other. I've known Larry growing up as he was one of my favorite cousins. It was such a shock to know he is gone but I know we will all be together once again. Starting today I am reaching out to all my cousins. He and Terry made my life bearable.

“ *It is with a heavy heart that we have to say goodbye with this wonderful man. I had the pleasure of having one of their family members in PRESCHOOL many years ago. Mr. Larry and Mrs. Shirley were very kind and loving parents to open my door to daily. They are a beautiful family. My God be with this family during this difficult period. One day we will see each other again. Love you, Ms Sheryl Money and family*
