“ 12:49P.M. - I just heard of Laura's passing. It seems impossible that I am trying to write my condolences. Laura was my first friend, our backyards adjoined and met her probably at about age 4. I have so many memories of her through the years. I don't think I can recall a childhood memory that she is not in. Laura was funny, smart, endearingly pretty and although I was always taller than her, she was my childhood protector. Mr. Bill's pet name for her was " Tiger". Laura Jean " Tiger" McCormack tried to hide it but she had a heart of gold. To Rob, Ed, Maylinda: please accept my sympathy and condolences on the loss of your Mother. She was very special to me. To Donna Fay, Deborah Kay, Angela and Patrick: please accept my sympathy and condolences. Please forgive my stumbling condolence, I am stunned. I can't imagine a world without Laura. I am so sorry. Laura had such a dynamic personality, such a droll and dry wit that would keep me laughing and always that "tough" veneer that couldn't quite hide her golden heart. Laura Jean will always be in my heart.
