“ I loved Miss Bunny very much. We became friends form working together many nights I would have to call the answer service for the ED and it was always a joy to hear the voice of who I called Miss Bunny Rabbit...Bunny was as dear lady I have ever known.I will truly miss her and our friendly late night talks. Many times she could not sleep and she would give me a ring and we would talk till she would give up and rest. Bunny was a good Christian women that will be missed in many ways for her many acts of kindness. Waht a giving real lady. May you forever rest in His sweet arms . God bless and rest your precious soul.

“ I'm an Emergency Services Pre-Screener and had the pleasure of working with Bunny in this capacity. We only ever met voice-to-voice but she was the most delightful person to speak to. No matter what day or night we spoke she was always had the same wonderful disposition. Her death is a great loss to the Community Services Board. Bunny, you will be greatly missed.
