“ Dear Mrs. Pamela Smith & Family,

I heard the sad news this morning and I take this means of extending to you and family my deep sympathy in the passing you your husband and father, Larry Smith.

Larry was a good citizen and endowed with many of the fine qualities of character which made him appreciated by so many friends, including myself.

I have known Larry almost all of his life and have known his family almost all of my life. I held him in highest esteem and he will be greatly missed.

With kindest regards.

*Yours most sincerely,
Jimmy Glass
