“ Debbie,

It makes me so sad that you have suffered the loss of your mother, and the recent passing of your father. I remember how kind they were to me when I visited your house when I was young. I pray for peace and comfort for you and your family.

“ Debbie, So sorry to hear about Aunt Lena. Unfortunately, I heard about the service too late to attend. I have such fond memories of Uncle CP and Aunt Lena. She was always so gracious and fun. I always thought she was SO "fancy" when I was young, since she was always dressed to the nines. They just couldn't stand to be separated.
